Biblical Evidence

I really enjoyed yesterdays class and thought scriptural references for some of the things we discussed would be beneficial for everyone.

ENJOY!

The angels were present **BEFORE** God created the earth, so they were created first **Job 38:4-7** God tells the
Prophet Ezekiel to
record a
lamentation or a
sympathy letter for
the King of Tyrus,
an earthly
inhabitant put in
Eden by God,
because of how
Lucifer corrupted
the earthly King.
Ezekiel 28:12

Lucifer begins to accept worship from earths inhabitants. Since Lucifer was NEVER designed to RECEIVE worship, the mixture of receiving worship corrupted Lucifer's beauty (anointing) which produced sin and iniquity Ezekiel 28:14b-18

God's wrath not only comes upon Lucifer, who is now become Satan, but His wrath also comes upon the earth and its inhabitants (remember the King of Tyrus?) by way of the 1st Flood, the flood before Adam was created.

Genesis 1:2, 6-8

Finally, fully understanding all that happened BEFORE Adam was created helps us understand exactly why God did the following...

1. Gave Adam

DOMINION (not over humans)

Commanded Adam to SUBDUE the earth
 Commanded Adam to REPLENISH the earth

God creates the earth and the inhabitants of the earth (way before Adam was ever created) Isaiah 45:18 Lucifer (not Satan)
was appointed by
God to be the
anointed cherub
assigned to cover
the earth and to
teach its
inhabitants how to
worship God
Ezekiel 28:11-14a

Lucifer after being demoted and rejected by God because of his sin, attempts to totally destroy the earth and its inhabitants (please notice the evidence of:

Nations, Kingdoms, Cities, Prisoners, Fathers, Seed (or offspring) this all BEFORE Adam was ever created!

Isaiah 14:12-20

Now **Genesis 1:1** makes sense. It's the documented devastation (*after the fact*) of Lucifer's destruction that provoked God's wrath.
